ENERGY CONSERVATION IN HOUSING AND BUILDING:

A BIBLIOGRAPHY

The following is a subject bibliography of books, pamphlets and periodical articles documented in the Ontario Ministry of Municipal Affairs and Housing Library.

It represents the holdings of the library accumulated during the period of 1974-1982.

Books listed in this bibliography are available on inter-library loan or personal loan for a period of three weeks.

Photocopies of the documented articles may be obtained by referring to the accession number listed in the front of each title.

A mailing list of library bulletins is maintained by the library.

To be placed on the mailing list for future bulletins or for information about the loans, contact the Ministry Library at:
